

The Claire May Grant Fund

Grants are available from The Claire May Grant Fund as a result of a bequest to Connecticut Mercy Associates from Claire, a long time Connecticut Mercy Associate. Claire's gift furthers Mercy ministries in supporting spiritual development and assisting the materially poor, furthering a legacy that she created during her life. Her commitment to Mercy spirituality, the Critical Concerns, and her community of Bridgeport, CT, directed her in life and guided this gift upon her death. Last year programs serving Haiti, the poor people in Hartford, Maine, and New York all received grants.

Consider if your ministry or spiritual need qualifies:

- Does it serve the poor?
- Is it sustainable without the grant?
- Does it connect to a Critical Concern?
- Does it help fulfill a spiritual need?

If it does, request an application by **January 15th**.

The form and application will be emailed to you upon request.

The grant allows for amounts of **\$100** to **\$2000** to be disbursed.

Applications must be received by **February 15, 2024**. The grants will be awarded by **March 1, 2024**.

To request an application, please email:
