

Mercy International Centre

Seeking Volunteers

Would you consider volunteering to assist us at Mercy International Centre, Baggot, Dublin or do you know anyone who may be interested in doing so?

Your presence would be invaluable in assisting us welcome visitors and the Mercy family to Catherine's home, offering warmth and hospitality. This also would involve working in the dining room and assisting at reception; this includes being available at weekends. (A small stipend is given to cover some costs)

We welcome volunteers throughout the year. Currently we are particularly seeking volunteers for 2024
